A COFFEE FOR PARENTS of talented and gifted students was held at the Appomattox Middle School March 16, 1982. The objectives and organization of the program were explained to the parents. The students are divided into special interest groups which include foreign language, creative writing, 7th grade computers, and 8th grade computers. In the 1980-81 school session the PTA and school clubs raised money to help AMS purchase a video recording system. This year Mrs. Staten's consumer and homemaking classes have been using the system to film demonstrations in food labs. This has been a great learning experience and has added a greater dimension to the exciting learning activities experienced at Appomattox Middle School in 1981-82.

Red Cross drive underway

Why give to the Red Cross Fund Campaign? The organization participates in many programs of services to mankind.

We are not making a door to door collection this year, so please won't you get your donation in as soon as possible. Our County needs your support.

Remember every little bit helps. Thank you.
